### For shorter stopover experiences

Passengers who do not have enough time to leave the airport can book any of our Dubai Stopover Airport Services including lounge access, 6-hour or 12-hour hotel room packages at Dubai International Hotel directly inside the Terminal 3.

### Upon arrival at Dubai International airport

All Emirates flights arrive at Concourses A, B and C at Dubai International airport Terminal 3

From Concourse A proceed to the airport terminal sky train and take a short 2-minute ride to Concourse B. Upon arrival at Concourse B, proceed to the escalator or elevator directly in front of the train stop to the lower level. An Arabian Adventures representative, will meet and assist you.

Passport Control desks are located directly in front of the elevators. To the left is Emirates Dubai Stopover desk for any On Arrival requirements or assistance. To the right of Passport Control are the smart gates where customers from some countries can scan their passports to save time through immigration formalities.

Once immigration is cleared, proceed to the baggage carousels. Collect your baggage and proceed past Dubai Duty Free, towards the Arrival Hall.

First Class and Business Class customers who have pre-arranged their Chauffeur-drive service can proceed to the Emirates Chauffeur-drive Service meeting point located on the right in the Arrival Hall.

All Emirates Dubai Stopover packages and services can be booked through TradeNet or the local Emirates office.
